## Reimagine...

Allow us to share the tale of Layla, Jasmine, and Aniya – three dedicated VIP shoppers who eagerly anticipate their weekly visits to the closet. They engage in "dress up" sessions, searching the racks for the trendiest dresses and shoes. Their innocence, creativity, and imagination shine through as they put together outfits that evoke the joy of feeling beautiful and elegant, reminiscent of the aspirations we all had as young girls. Do you recall those moments? Here at PEARLS Closet, we strive to instill that sense of confidence, fun, and self-expression in every young individual. Our goal is to cater to the needs of youth throughout the Greater Cleveland area.

## PROGRAMS AND SERVICES

PEARLS Closet at the Malachi Center offers free pre-loved outfits and hygiene products for girls and mothers or female guardians. Launched in 2021, it provides a chic thrift store experience for a fabulous shopping spree, creating a safe and pampering space for guests. Guests are able to visit twice a month for limited items.

PEARLS mini closets were introduced in 2022 through a partnership with PEARLS partner schools. These mini closets serve as resource spaces within the schools, providing students with convenient access to their essential items.

We offer more than just a closet; apart from offering stylish clothing and hygiene products, we also organize various activities to educate our student shoppers! Explore some of our activities:
